### Adipokinetic Hormone II from Schistocera gregaria LKT-A1333

|                            |                                                   |
|----------------------------|---------------------------------------------------|
| Article Name               | Adipokinetic Hormone II from Schistocera gregaria |
| Biozol Catalog Number      | LKT-A1333                                         |
| Supplier Catalog Number    | A1333                                             |
| Alternative Catalog Number | LKT-A1333-1,LKT-A1333-2,LKT-A1333-5               |
| Manufacturer               | LKT Labs                                          |
| Category                   | Biochemikalien                                    |
| Product Description        | Neuropeptide found in Schistocera gregaria....    |
| Molecular Weight           | 934.02                                            |
| Purity                     | 95%                                               |
| Formula                    | C44H60N11O12                                      |
| Application Dilute         | Soluble in water.                                 |
