| Host                       | Mouse                                                                                                                                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | ELISA, ELISpot, FluoroSpot                                                                                                                                                                                                                                    |
| Species Reactivity         | Porcine                                                                                                                                                                                                                                                       |
| Conjugation                | Unconjugated                                                                                                                                                                                                                                                  |
| Product Description        | Monoclonal antibodies specific for IL-2, These monoclonal antibodies enable sensitive and specific detection of porcine IL-2 in immunoassays such as ELISA and ELISpot., We recommend MT264/267 as capture antibodies in ELISA and ELISpot in combination ... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Clone Designation          | [MT264/267]                                                                                                                                                                                                                                                   |
| Isotype                    | IgG1                                                                                                                                                                                                                                                          |
| NCBI                       | <a href="#">396868</a>                                                                                                                                                                                                                                        |

|                   |                                                                                                                                                                                                                                                                                                             |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target            | IL-2                                                                                                                                                                                                                                                                                                        |
| Antibody Type     | Monoclonal Antibody                                                                                                                                                                                                                                                                                         |
| Application Notes | Complementary Products: <a href="https://www.mabtech.com/products/anti-porcine-il-2-mab-mt265-biotin-3140-6">https://www.mabtech.com/products/anti-porcine-il-2-mab-mt265-biotin-3140-6</a> . Contents: Monoclonal antibodies MT264/267, unconjugated. Supplied at 0.5 mg/ml in PBS with 0.02% sodium azide |
