| Article Name               | Anti-Human Interferon Beta, Clone MMHB-3 (MAb), Clone: [MMHB-3],<br>Unconjugated, Mouse, Monoclonal |
| Biozol Catalog Number      | PBL-21400-1                                                                                         |
| Supplier Catalog Number    | 21400-1                                                                                             |
| Alternative Catalog Number | PBL-21400-1                                                                                         |
| Manufacturer               | PBL Assay Science                                                                                   |
| Host                       | Mouse                                                                                               |
| Category                   | Antikörper                                                                                          |
| Application                | ELISA                                                                                               |
| Species Reactivity         | Human                                                                                               |
| Conjugation                | Unconjugated                                                                                        |
| Product Description        | Neutralizes human interferon beta, binds to human interferon beta<br>with high affinity...          |
| Clonality                  | Monoclonal                                                                                          |
| Clone Designation          | [MMHB-3]                                                                                            |
| Isotype                    | IgG1 kappa                                                                                          |
| Buffer                     | Phosphate - buffered saline (PBS) containing 0.1% bovine serum<br>albumin (BSA)                     |
| Form                       | Frozen                                                                                              |

|               |                     |
|---------------|---------------------|
| Target        | IFN Beta            |
| Antibody Type | Monoclonal Antibody |
