| Alternative Catalog Number | AGR-AS10-1464                                                                                                                                                                    |
| Manufacturer               | Agrisera                                                                                                                                                                         |
| Host                       | Goat                                                                                                                                                                             |
| Category                   | Antikörper                                                                                                                                                                       |
| Immunogen                  | Purified rabbit IgG (H&L)                                                                                                                                                        |
| Product Description        | Goat anti-rabbit IgG (H&L) is a secondary antibody which binds to rabbit IgG (H&L) in immunological assays. Antibody is affinity purified using solid phase rabbit IgG (H&L).... |
| Clonality                  | Polyclonal                                                                                                                                                                       |
| Purity                     | Immunogen affinity purified goat IgG.                                                                                                                                            |
| Form                       | Liquid                                                                                                                                                                           |
| Antibody Type              | Polyclonal Antibody                                                                                                                                                              |
| Application Dilute         | This antibody is suitable for all immunoassay applications, The optimal working dilution should be determined by the investigator                                                |
