| Manufacturer               | ICL                                                                                                                                          |
| Host                       | Rabbit                                                                                                                                       |
| Category                   | Antikörper                                                                                                                                   |
| Application                | ELISA                                                                                                                                        |
| Conjugation                | Unconjugated                                                                                                                                 |
| Product Description        | High-quality rabbit antibody affinity purified against AU1 tag, essential for protein interaction studies and immunoprecipitation assays.... |
| Clonality                  | Polyclonal                                                                                                                                   |
| Buffer                     | Phosphate buffered saline (PBS), pH 7.2                                                                                                      |
| Purity                     | Antigen Affinity Purified                                                                                                                    |
| Form                       | Liquid                                                                                                                                       |
| Target                     | AU1 tag                                                                                                                                      |
| Antibody Type              | Primary Antibody                                                                                                                             |
